

Corporate Membership

Corporate members and sponsors help Computer Museum of America (CMoA) advance its mission of preserving and promoting the history of computing and technology. Your alliance will ensure CMoA's impactful vision to inspire the next, great, "WHAT IF..." moment, reaches audiences of all backgrounds.

In addition, your team will have exclusive opportunities to a unique, world class, museum located in metro Atlanta.

As a corporate member, you will have priority to sponsor special events and/or exhibits. Furthermore, your company's logo will be listed on the museum's website, marketing materials, and social media as applicable.
